## TERMS AND CONDITIONS OF SALE

**ORDERS:** State size desired and give specific shipping instructions—whether by freight or express, date of delivery and to whom notice of delivery is to be sent. If no shipping instructions are included we will ship by the best carriage. If no date is specified we will ship at once or as soon as weather or condition of plants allow.

**PRICES:** We quote five or more plants of ONE KIND at the ten rate, 25 or more at the 100 rate. Packing at cost of material.

**TERMS:** To all customers unknown to us cash with order or satisfactory references. Regular accounts are due net thirty days or 2% discount within ten days. For cash in advance there is no packing charge.

**GUARANTEE:** We guarantee our stock to be true to name and to be of size and quality represented.

**INSPECTION:** All plants marked with the asterisk in front of the size have been treated with arsenate of lead and can be safely shipped with balls of earth outside of the Japanese Beetle Quarantine area. This certificate is supplied by the United States Department of Agriculture inspector for this area upon personal inspection of the digging, balling and packing of all plants to be sent outside the area. All shipments are furnished with New Jersey Department of Agriculture Certificate No. 537 stating that all plants growing in our nursery are free of scale, injurious insect pests, and destructive plant diseases.

**TRANSPORTATION:** All shipments are adequately and carefully packed; and shipped over the Central New Jersey or Pennsylvania Railroads.

**CLAIMS:** If stock is unsatisfactory, claims should be made promptly upon receipt of goods.
